

LOCTITE

NEW
PRO PUMP
DISPENSER.

LESS MESS.
LESS WASTE.
MORE PRECISION.

**Put the right amount of threadlocker exactly
where you want it.**

The **Loctite® Pro Pump Hand Held Dispenser** provides clean, efficient and repeatable dispensing of Loctite® Threadlockers. Turn your bottle of adhesive into a dispensing system that prevents spills, eliminates mess and waste. This dispenser is small, compact and lightweight; and a single drop of adhesive is always ready with just a pull of the trigger.

- Utilizes patented progressive cavity pump technology
- No setup or assembly required
- Fits both 50 ml and 250 ml bottle
- Delivers an average of 30 mg of adhesive with a single pull of the trigger
- Multi-position nozzle in three different orientations
- Can be folded down 90° for storing
