

PRODUCT WITH PICS	PRODUCT DESCRIPTION	TYPICAL USE	FEATURES	BENEFITS	APPLICATION BY
 <p><b>CORROSIONX®</b></p>	• Thin oil	• Loosening rusted connections	• Superfast penetrant	• Extremely cost efficient due to coverage 94m <sup>2</sup> /ltr	• Aerosol
	• Penetrant	• Waterproofing electrics/electronics	• Ultra thin coating	• Never dries, never gunks up	• Trigger bottle
	• Lubricant	• Lube small bearings	• Excellent lubrication	• Does not attract dust	• Wash down gun
	• Corrosion inhibitor	• Spare part storage indoors	• Applicable over wet & already corroded parts	• Applicable over wet and already corroded parts	• Sprayer (60psi)
 <p><b>CORROSIONX® XD</b></p>	• Medium thin oil	• Chassis protection	• Fast penetrant	• Added longevity	• Aerosol
	• Allrounder	• Waterproofing outdoor electrics	• Extended longevity in chassis	• 70m <sup>2</sup> /ltr	• Trigger bottle
	• Penetrant/lubricant	• Chain lube	• Withstands wash off	• Superb lube (0.4mm wear scar)	• Wash down gun
	• Corrosion inhibitor	• Steel buildings	• Applicable by sprayer to large roofs/barges/trucks	• Minimal dust attraction	• Commercial sprayer
 <p><b>CORROSIONX® HD</b></p>	• Thickish oil and corrosion protection in extreme climate/exposure	• Leaf springs	• Very resistant to wash off	• Perfect lube & protection on parts exposed to weather, chemicals and impact	• Aerosol
	• For lubrication of exposed mechanics	• Steel wires	• Best lube on steel wire	• No prep needed	• Trigger bottle
		• Chain drives	• Penetrants into chain links	• Never gunks	• Wash down gun
		• Submerged electrics	• Stops galling and electrolysis	• Applicable over wet and already corroded parts	• Commercial sprayer
 <p><b>CORROSIONX® GREASE</b></p>	• Marine grease NLGI #2 grade	• Steel wire ropes	• Capable at high speed/temperature/impact	• Extended service intervals	• "Viper" or other grease applicator
	• Bearing grease	• Bearings	• Very high load	• Less wear & tear	• Grease gun 400cc capable
	• High performance/High temp	• Marine & Mining	• 620kgs weld point	• Minimised labour cost	• Stiff brush
	• High speed capable	• Heavy machinery	• Drip point 287°C	• Lower "cost of ownership"	• Wipe
 <p><b>REELX® FOR FISHING</b></p>	• Very fine, thin oil	• Service of all reels	• Ultra high lube performance	• Increases bearing life & service intervals	• Dip/Drip/Brush/Wipe
	• Ultra fast penetrant	• Corrosion stop on leaders, tackle & electrical contacts	• Superb corrosion protection	• Better reel-performance	• Mix with CX Marine Grease to alter viscosity
	• For all fishing gear application	• Electrolysis treatment	• Never gunks up	• Less corrosion damage	
		• Waterproofing contacts on electrical connections	• Safe also on monofilament	• Reduced wear and tear	
			• Stops electrolysis on impact		

PRODUCT WITH PICS	PRODUCT DESCRIPTION	TYPICAL USE	FEATURES	BENEFITS	APPLICATION BY		
 <p><b>SPEED X</b> FOR BIKES &amp; HOBBY</p>	<ul style="list-style-type: none"> <li>• Very fine, thin oil</li> <li>• Ideal for all bikes, inline skates and skate boards</li> <li>• Electronic waterproofing for bike and drone electronics</li> </ul>	<ul style="list-style-type: none"> <li>• Bearings, electronic water proofing</li> <li>• RC drones, ships, cars, aircraft</li> </ul>	<ul style="list-style-type: none"> <li>• Ultra high lube performance</li> <li>• Resists salt and heat</li> <li>• Super thin film</li> <li>• Waterproofs electrics and electronics</li> </ul>	<ul style="list-style-type: none"> <li>• Minimised friction</li> <li>• Better speed performance</li> <li>• Long term corrosion protection</li> <li>• Safe on all plastics/paint/electrics</li> <li>• Less damaged parts</li> </ul>	<ul style="list-style-type: none"> <li>• Dip/Drip/Brush/Wipe</li> </ul>		
	 <p><b>CORROSION X</b> FOR GUNS</p>	<ul style="list-style-type: none"> <li>• High performance gun oil for all weapons &amp; accessories</li> <li>• Waterproofing of all electrics/ electronics</li> </ul>	<ul style="list-style-type: none"> <li>• Service, lubrications and storage of all firearms</li> <li>• Ammo storage</li> <li>• Restoration</li> <li>• Gun cleaning</li> </ul>	<ul style="list-style-type: none"> <li>• Super fast penetration</li> <li>• Stops residue build up</li> <li>• NATO registered</li> <li>• Not flammable</li> <li>• Never gunks up</li> </ul>	<ul style="list-style-type: none"> <li>• Can be applied to all metals</li> <li>• Safe on plastics</li> <li>• Does not affect blueing</li> <li>• Unsurpassed longevity</li> <li>• Cleaner/lube/protector all in one</li> </ul>	<ul style="list-style-type: none"> <li>• Dip/Drip/Brush/Wipe</li> </ul>	
		 <p><b>MAX WAX</b></p>	<ul style="list-style-type: none"> <li>• Semi-hard coating</li> <li>• Dries to thin film</li> <li>• VCI Vapour carried inhibitor</li> </ul>	<ul style="list-style-type: none"> <li>• Exposed electric terminations</li> <li>• Aviation fastenings</li> <li>• Slow boat propeller coating anti-foul</li> <li>• Chassis protection</li> <li>• Drip tray protection under heat pumps</li> </ul>	<ul style="list-style-type: none"> <li>• Resists water abrasion</li> <li>• Good penetration at application</li> <li>• Once dry does not attract dust</li> <li>• Corrosion protection by vapour</li> </ul>	<ul style="list-style-type: none"> <li>• Not sticky</li> <li>• Able to resist wash off</li> <li>• Great assembly compound</li> <li>• Long term corrosion protection</li> </ul>	<ul style="list-style-type: none"> <li>• Aerosol</li> <li>• Brush (fine)</li> </ul>
			 <p><b>RUST RECONVERTER PAINT</b></p>	<ul style="list-style-type: none"> <li>• Water based paint</li> <li>• Applicable to rusty steel</li> <li>• Turns black and shiny</li> <li>• Commercial grade</li> <li>• Acid free</li> </ul>	<ul style="list-style-type: none"> <li>• All chassis, cars, trailers</li> <li>• Bridges</li> <li>• Garden furniture</li> <li>• Steel roofs</li> <li>• Steel hull ships</li> </ul>	<ul style="list-style-type: none"> <li>• 1 ltr for 11m<sup>2</sup>. No smell, fast dry</li> <li>• Compatible with all paints</li> <li>• Works on galvanised surface</li> <li>• Commercial grade product</li> </ul>	<ul style="list-style-type: none"> <li>• Longer lasting. Better compatible</li> <li>• No sanding between coats</li> <li>• No prep other than degrease &amp; descale loose flakes</li> <li>• No fumes, safe in "confined space"</li> <li>• Water based</li> </ul>
 <p><b>XTREME CLEAN</b></p>				<ul style="list-style-type: none"> <li>• Degreaser/Cleaner</li> <li>• Concentrate</li> <li>• Concrete/lime dust remover</li> </ul>	<ul style="list-style-type: none"> <li>• On all machines, farm equipment, tools, ships, engines and bearings</li> <li>• Mountain bikes</li> <li>• Chain drives</li> <li>• Concrete Trucks</li> </ul>	<ul style="list-style-type: none"> <li>• Fast removal of dirt, grime, soot, oil stains, Corrosion X, concrete &amp; lime dust</li> <li>• Removes grape stains from vineyard machinery</li> <li>• Biodegradable</li> <li>• Non-flammable</li> </ul>	<ul style="list-style-type: none"> <li>• High concentration allows mix with up to 30 parts water</li> <li>• Very low environmental impact</li> <li>• Safe on paint, plastics, around animals &amp; farm equipment</li> </ul>
