

**ABB**

**ABB MOTORS**

MAXIMUM  
CONVENIENCE  
EASY HANDLING

Developed from the outset for maximum convenience and easy handling, **ABB General Performance Motors** can be used in a wide range of industrial applications.

These motors are suitable to build into pumps and fans, as well as for gearboxes, conveyors, general machinery and other applications. We have a motor to suit every market segment; ranging from mining, steel and water, to HVAC and food and packaging.

IP66 rating  
IE3 efficiency  
Simple and robust design  
Off-the-shelf available  
Extensive modification possibilities with brand standard designs
